Stuck on this month's theme?

Here are some ideas to help you get inspired:

- **Skies meet sea:** capture the beauty of a sunrise, sunset or night sky
- **Scenic landscapes:** photograph lighthouses, piers and boardwalks or cliffs, rocky shores and tidal pools
- **Reflections and shadows:** Play with reflections and shadows created by the waters, rocks and other elements
- **Sea glass, sand and shells:** Create interesting arrangements or capture patterns in the sand
